In the Guidance Department, we concern ourselves with whatever concerns you. By helping students with career and educational plans, self-understanding, and learning to solve problems and make decisions, we strive to make the dreams of today the reality of tomorrow. Your South High School experience is what you make it; we hope that we are helping you make it what you want it to be.

The teaching of literature is the teaching of humanism — the identification of your soul with the soul of the author.

The teaching of writing is the teaching of understanding — the communication of your mind with the mind of the reader.

We do not teach subject matter — we teach people.

We do not teach you what to think — we try to teach you how to think.

We try to give you the skills to communicate your thoughts and feelings to others.

As society changes, so must the study of society change to meet the demands of its people. Our department, while offering many traditional courses, also offers many courses designed to meet individual student needs. Courses such as Anthropology and Psychology were added to our curriculum for this purpose. We hope to improve the students' ability to understand mankind through the study of both himself and his ancestors.

"... for the world is hollow and I have touched the sky." Not exactly, but our students would if given the chance. Our students search for the correct roads; we try to prevent dead ends. Sometimes they discover a shortcut and othertimes it's a roundabout route, but eventually we see to it that they understand that science is a way of life.

FOREIGN LANGUAGES

Catherine Rubeski

Helen Vancavage

Leslie Jope

In the language department, we are deeply involved in international education and foreign cultures. While many people assume that we are solely concerned with the memorization of vocabulary and the conjugation of verbs, in actuality we are trying to show our students the intricate design of languages, customs and traditions. We are helping our students to expand the limitless boundaries of understanding through communication.

As if it was an infinite series, our Math Department continues to grow. Starting with Basic Math and continuing up through calculus, we try to make our department more than just numbers. Its the people, not the numbers, which we hope make mathematics a truly advanced study.

In our department we offer our students a variety of courses in many fields, from foods and clothing to interior decorating and child growth. Although some of our students may seek a vocation in home economics, most take courses to acquire skills they will someday use in their own homes. We hope our program will enable our students to meet the challenges of living in the family and in society, both today and in the future.

Our department encompasses a wide variety of areas, from wood shop to electronics. We're people working together to help students construct reality out of their dreams, just as Edison, Ford and Bell once did. All one needs is an idea and the medium to expand upon it. We offer our students such a medium.

Buying insurance, writing reports, arranging credit, using bank services, budgeting income and coping with the economic aspects of modern living have become an inescapable fact of life. To fulfill such common economic needs, our business courses are open to all students.

Beyond these necessities of economic understanding are the business and communication skills needed in contemporary occupations. Typing and stenographic skills, financial interpretation skills, and the use of modern business equipment, are all part of our present business education scene.

A person must be physically as well as emotionally prepared to enter into society. By allowing students to choose their own activities, we hope to generate some life-long interest in individual and/or team sports. "A mind is a terrible thing to waste" is a true saying, but a mind without a well conditioned body can never function to its capacity.

ART AND MUSIC

Department Head

In our department, we place a strong emphasis on student creativity. Whether a student is interested in painting, weaving or ceramics is not important. What is important is that he learn to visually express himself. We are not here to dictate what to do, but rather to help students with whatever they would like to do.

The music curriculum is designed to encourage student participation in a number of programs. Through both performing and instructional groups, the student is exposed to all areas of music. Whether one is seeking a profession or a pastime, there is something for all in the music room.

IN SINCERE APPRECIATION

MR. PAUL BRUNELLE

For three years you helped us grow — both as a group and as individuals. The understanding and consideration you showed for each of us will never be forgotten. We can only hope that you will remember us as fondly as we will remember you.

MRS. SOPHIE SAVAS

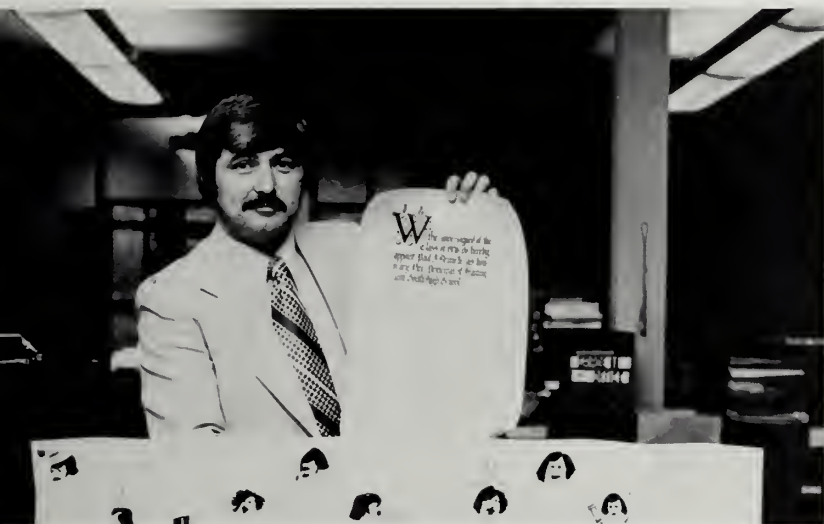

Freshman year we came to you, a mass of bright ideas and enthusiasm. Because of you, we were able to make these ideas realities. Your patience and encouragement as well as your inexhaustible source of energy have made you more than just an integral part of our class development; they have made you our friend.

MR. ALFRED BADGER

It must be difficult to take over where someone else has left off and be successful. Few individuals could do it . . . but you are one in a million. You helped make our senior year a memorable one. Thank-you.

MRS. PHYLLIS SEMPLE

For four years, you put up with our dismissal notices, late slips, library passes and anything else we brought your way. Through thick and thin, your sparkling personality was never tarnished. You were never too busy to stop and listen. Thank you for letting us know that you care.

CLASS OF 1976

A sculptor's creation represents all that he has been, all that he is, all that he hopes to become. Determination and the passage of time will make his dreams become reality.

The Class of 76 has been created by most talented craftsmen. Each new line, every curve, represents good times, bad times, and accomplishments. Our creation is complete. At present, we question the value of it; but, years from now we will realize that together, we have created a masterpiece.

LANGUAGE CLUBS

Interest in the language clubs is growing every year. We have been able to generate active membership and exciting activities in Italian, Spanish, Latin, German, and French Clubs this year.

The highlight of our year in the Italian Club was the organizing and carrying out of the International Festival. This proved to be a great success despite being postponed due to two snow days. The trip to see **Man of La Manche** at the Chateau de Ville was a fun-filled and most interesting evening for the Spanish Club. The Latin Club held its annual Roman dinner as well as viewing a Latin Play. Holding French parties, eating a scrumptious French dinner, as well as viewing a play were high points for the French Club.

All of these activities brought us a deeper feeling and understanding of the languages as well as the countries they represent.

Y.E.S. PROGRAM

Y.E.S. — Youth Exploration Services gives students the opportunity to explore various fields of interest for academic credit. The subject of exploration may range from a hobby to a possible career choice. All work done is strictly volunteer. This year, students involved in the program could be found working at the hospital, elementary schools, the Learning Center for the Deaf, Project Headstart and the Danforth Museum.

WORK STUDY

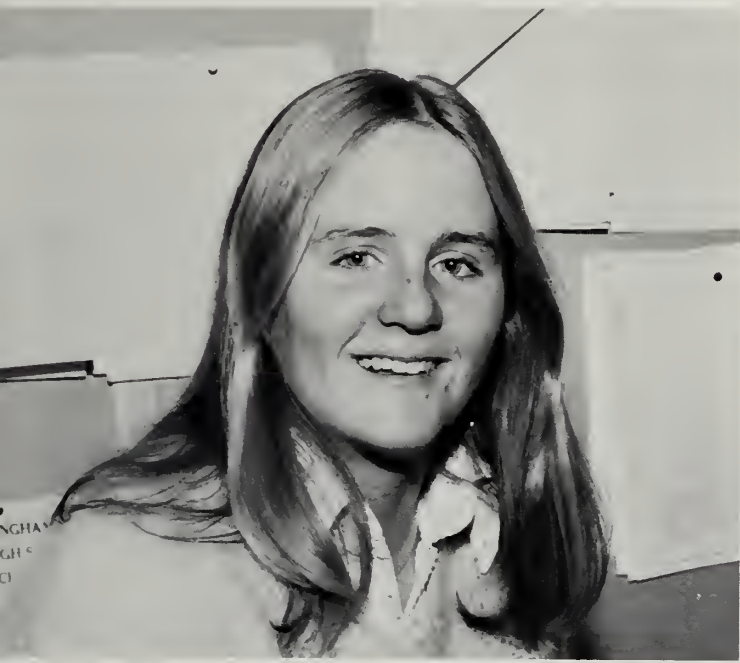

The Work Study Program provides students an opportunity to continue their education as they gain work experience under school supervision. This year students were employed in a variety of occupations throughout the community. Approximately one hundred businesses and professional offices cooperated to make our program effective.

The program has become an integral part of the curriculum here at South High, and we hope it will continue to serve students for many years to come.

NATIONAL HONOR SOCIETY

This year's National Honor Society was the largest ever here at South. The attitude and participation of our members led to a gratifying and successful year. We undertook many new as well as many traditional projects. The tutoring program, the Christmas Project, a walk-a-thon benefitting Framingham's senior citizens, and a book sale were the highlights of our year.

STUDENT GOVERNMENT

This year "Communication Within the School Community" was our theme for the Student Government Coalition. The monthly assembly program and the North-South Dance for Cerebral Palsy were projects successfully undertaken. We were also helpful in establishing rules for library and cafeteria use. Becoming involved in both school and town activities resulted in our generating a responsive and cooperative body.

SENIOR PLAY

DRAMA

The Drama Club has been busy this year selling tickets, publicizing and producing plays, going on field trips and planning the annual Drama Club banquet. We also introduced to South High its first student directed play, **The Game**. We feel we have provided our members with an opportunity to experience drama in its many forms, so that all may learn to truly enjoy and appreciate the fine art.

MARY ALICE MCLEAN

COLUMBIA

I spent the summer of 1975 learning, sharing and growing in Columbia, South America. I felt reborn in a world where I was surrounded by new and exciting circumstances. I was independent and felt proud to be succeeding on my own.

The people of Columbia are gracious; their cities are charming. One cannot imagine the quaint straw roofed stores, burros laden with coffee, white cement churches and luscious smells. Whether doling out pesos to city street orphans or sipping aguardiente in a luxurious "clubos" — I was filled with excitement and gratefulness for an experience I will never forget.

SUSAN CANNON ENGLAND

My year in the United States has been a truly memorable experience. The year 1975-1976 has meant so much to me thanks to my wonderful host family, the local A.F.S. chapter and all the members of the school. The welcome and support I received from everyone will never be forgotten.

The year I spent in America was a busy one. Starting with my summer in Maine and continuing on through the school year, I found myself constantly being introduced to new and exciting things. Rallies, sporting events, drive in movies and breakfast at Bickford's, came to be a way of life. I also was fortunate enough to travel throughout the country thus enabling me to see a score of cities from Washington D.C. to San Francisco. I would like to take this opportunity to thank everyone who helped make my stay in America a success.

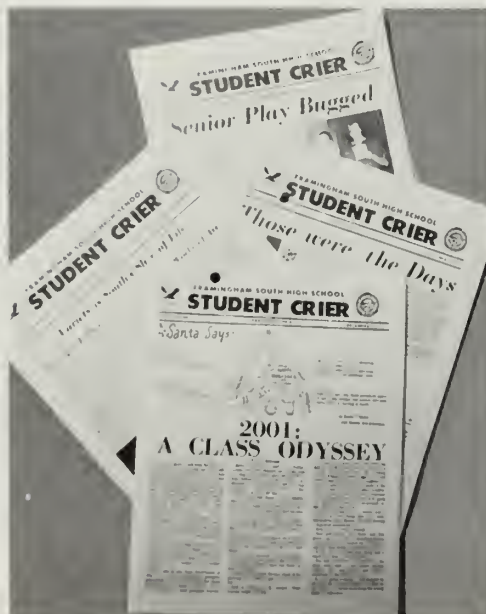

STUDENT CRIER

Those of us here at the Student Crier were pleased with the results of this year's publication. We experimented with a new format, and included extra-curricular as well as school activities in our coverage. It has been an enriching, growing, and learning experience for the staff, the editors-in-chief, and the advisor.

Lennard, R. Heller, K. Fair, C. Miller, S. Durkee, S. Zakon, L. Manion.

THE PAGE

The 1976 edition of The Page was an extremely successful endeavor. Our large and enthusiastic staff spent many hours choosing a number of artistic, musical and literary selections which reflect the talents of our student body. Our work resulted in a publication of which we are very proud.

FIRST ROW: L. Evans, A. Zimmerman, C. Noonan, M. Price, L. Crowley, SECOND ROW: M. Kahn, R. Coehn, K. Ryder, B. Fitzgerald, R. Marks. THIRD ROW: M. Doherty, M. Joseph, A. Brennan, M. Brown, K. PHILOMATH

Like a brief biography of precious years, the Philomath captures some scenes of what our high school years have been. The creation of the Philomath began with the intent to preserve the moments of our high school days. The spirit of the school, our achievements and our expressions are reflected through pictures. In the late hours, magic worked to arrange the pictures, and from them form pages. The pages which express all that we have strived for, have accomplished, and have been, are our memories never to be forgotten.

I Mic Mac

I Mic Mac Indian,
Living on the land
of freedom and peace.

I am a Princess,
Giving peace to all
mankind.
Giving all the land
that was once mine,
To show that I am kind.

Mary Bernard

The serendipities and the outlets
Of simple, whole-hearted goofiness

The give and the take of continual
reassurances in times of doubt.

The good times shared together and
The memories when they're gone

The joys, the silly fun, the laughter
and the giddy giggles.

The touching of souls, healing of hurts
and the excitement of discovering the
common problems of growing up.

The strength needed to love and
trust yourself found in friends'
loving and trusting you.

And when the ice cream sundae — diet Pepsi
Skipping school-to-lie-in-the-sun
Days are gone,
I want to remember
Just how it was.

Mary Alice McLean

A friend;
One who contradicts and still feels compassion.
The someone who understands the little bit in us
that we find hard to explain.

The one who we will wait for and do for,
And in spite of all their faults still love.
The feelings are always mutual —
Our problems are their problems and isn't that
what friends are for?

When you smile friend, I smile.
When you cry friend, I cry.
Let our fears and laughter mingle together
To form a most precious gift — trust.

So;
Contradict me, be compassionate,
Understand, wait, and worry with me.
Smile, laugh, cry, love and trust me.
And most of all, just be my friend.

Roni Goldberg

Perched on a cliff
I am ...
The ocean of fate before me
I am ...
Alone.
My thoughts
S C A T T E R E D
As seaweed
The sun beats hard
I take a few steps
Warm is ...
Sand between my toes
Brisk is ...
Wind against my face
I begin to run
Frolic with the waves
Left an ocean
Right a field
Carefully I look
A daisy grows
A dew drops on the petal
Glistens
I bend to pick it
There's only
ONE
Shall I be selfish
Or
Leave it to nature?
I run through the field
Beach
But —
to find
I, like the daisy,
am Alone.

i wish i could go back there someday,

Joan DeCollibus

Goodbye is lonely like empty armchairs.
Covered with a tablecloth, yellow stains,
And naked highways.
Why do we share hands
And squeeze hard to make pain of endings?
And breathe tear-sighs on each others eyelids
Afraid to forget the past,
Afraid to face the future.
I wonder why I feel confused and alone.
I find myself talking to a friend about
what happens.
I feel like a child in a twilight of birth
and discovery,
Lost now the faces fade with desperate,
sad smiles.
I hate recalling helpless hands, helpless eyes.
I would only like to remember thick layers
of love in my mind.

Roberto Palencia

Ever been kidnapped
By a poet?
If I were a poet,
I'd kidnap you,
Put you in my phrases
And meter you to Jones Beach,
Or maybe to Coney Island,
Or maybe just to my house.
Lyric you in the lilacs,
Clash you in the rain,
Blend you into the beach
To complement my sea.
Play the lyre for you,
Ode you with my love song,
Anything to win you.
Wrap you in the red, black, green
Show you off to mama.
Yeah, if I were a poet,
I'd kidnap you.

As the wind shifts
 So do the waves
 Upon the shore
 You don't need me
 Anymore!
 So like the waves
 I'll form a pattern
 of my own — Alone!

Karen Hutchinson

I sit alone,
 Dreaming of my past
 Reflections are bright from living
 memories.
 I wonder what will be, tomorrow.

Man is free to gaze up at the sky
 with stars and moon
 To hear soft whispers of the breeze,
 It is oh so comforting.

I clear the path ahead of me,
 Aware of myself, ready for changes;
 While the mystery of my future
 Slowly unfolds.

Wendy Greb

Years ahead and years behind where I was
 And many goals short of where I'd hoped to be ...
 My mind wants to break in a frenzy of worries

... Years ahead and years behind
 where I was
 and many goals short of

where I'd hoped to be ...
 my mind wants to break
 in a frenzy of worries ...

OUR WATERFALL

We hear the sounds of rushing water.

We see the birds
flying low.

We approach the bridge,
made of logs and wood
and there it stands
the waterfall.

The fresh clear water
gushes over the hill.
The bright colored birds
are for bugs.

Down and under,
then down the stream.
How far the stream goes
we do not know
but we plan to find out.

SPORTS

FOOTBALL

This year's team suffered through a heartbreaking season with many of our key players out due to injuries. Nevertheless, the seniors, united with some strong underclassmen managed to defeat crosstown rival North and our Old Nemesis, Wellesley for two very satisfying victories. A disappointing season, yes, but the spirit and determination of a hard working team will live on.

FIELD HOCKEY

Statistics show that we won just five of our thirteen games, but they do not show that the team "played its heart out," nor that the girls worked for approximately one hundred hours to improve their field hockey skills. Captains Debbie Malone and Kathy Holt brought eleven seniors through a fun but frustrating season. Their contributions to team records, spirit and ideals have been invaluable to South High field hockey and they will surely be missed.

SOCCER

This year's team exhibited great skill and determination. However, they underwent a very disappointing season. Too many games were lost by one goal. The fine play of seniors such as Jeff Stone, Jim Hanscom and Rich Teresconi will be missed, but next year's team has a lot to look forward to with many juniors returning to give us a brighter season next year.

VOLLEYBALL

This was the first year of interscholastic volleyball here at South. Many girls were afforded the chance to learn the basic fundamentals of the game and to compete in a sport on the varsity level, although a lack of depth was felt in the win columns. With many underclassmen returning next year, we hope to have a much more satisfying season.

CROSS COUNTRY

This season was the first time in many years that the cross country team finished with a winning record. We set many new school and individual records. It was also the first time in the school's history that a girl successfully completed a season in the sport. Although the talents of co-captains Mickey Baugh and Paul Cheffers will be missed, there is much potential left for another winning season next year.

BOYS BASKETBALL BAY STATE CO-CHAMPS!!

The 1975-76 Basketball Team, led by Captains Dave Blatt and Steve Smith, have fought hard all season long. Battling for first place with Braintree, there was never a dull moment. The excitement was provided by the scoring power of Steve Smith and Brady Otey and the spirit and style of Mike McKeown. Dave Blatt, a solid choice for the Bay State League's Most Valuable Player Award, was everywhere, inspiring the team to an excellent season. Truly, basketball has earned the school's plaudits as one of its most popular and exciting sports.

BOYS GYMNASTICS

Gymnastics is a sport requiring courage, stamina, coordination, and skill. These qualities are exemplified by this year's Boys Gymnastics Squad captained by Mark Gelfond and Brian Babine. Although this was not a winning season, it was a much improved season with their score going from 55 to 83. Coach Manzella and Assistant Coach Natichioni have high hopes to continue the improvement into next season even though they will have to fill the gaps that will be left by graduating seniors John Hampshire, John Gray, and Howard Barnstone. Framingham's Squad: gymnasts first, gentlemen second, and champions always.

GIRLS GYMNASTICS

The 1975-76 Girl's Gymnastic season was perhaps one of the most rewarding to come along. Although Captain Debbie Goldman was sidelined for the last half of the season, she proved to be invaluable as a leader.

Skill and talent levels rose immensely as the season progressed; so much so that Sophomores Lia Dewar and Diane Donley qualified for the State Gymnastics meet, and Laurie McKinstry, Diane Donley, Lia Dewar, Pam McKinstry, Rose Lennard and Debbie Gilyard competed in the B.S.L. meet.

The climax of the season came against Wellesley. Down by 5 points going into the last event, the Flyers came back to win by one-tenth of a point. With action like this, we can expect another exciting season next year.

BOYS SWIMMING

South High's Swim Team had an excellent season, finishing with an encouraging 6-4 record (5-1 Bay State League). Co-Captains Jimmy Casey and John Ablondi spearheaded an outstanding senior group. Next years captains Jimmy Dudek and Jimmy Halliday were part of an essential underclass unit which lent balance to the team. Things look bright for South's Swimming future.

WRESTLING

This was the Wrestling Team's second year of varsity competition. Combining strength with muscular coordination and featuring individual performance, this sport demands a great deal from each member. The team led by Captains Gary Rotatori and Mike Ware, with outstanding performances by Donald Wayland, Jim D'Angelo, and Mark Cheffers. The Wrestling Team has high hopes of placing individual members in the Sectional Competition which is the climax of the wrestling season.

INDOOR TRACK

The 1975-76 Flyer Indoor Track Team has enjoyed its finest season ever in the history of the sport. Finishing with a won-lost record of 7-2, this year's team ended in second place in Bay State league competition. Record-breaking performances were turned in by Mickey Baugh (1000 yard run), Paul Cheffers (two mile run), and the mile relay team of Dave Gordon, Earl Clinton, Tom Grady, and Mickey Baugh. Harold Solomon, Dan Giatrelis, and Mickey Baugh qualified for the finals of the State Indoor Track and Field Championships with outstanding performances in their respective events (50 yard dash, mile run, and 600 yard run). Their individual efforts provided a fitting climax to an already exciting track season.

GIRLS BASKETBALL

"Short in height but tall in stature" could be the motto of the 1976 Girls Basketball Team as it finished the season strongly with a solid 11 to 7 record. Beth Cross, Sue Joyce, and the Lady Flyers continued to prove that women's basketball and women's sports at South and in the Bay State League are for real. The athletes are talented, skillfull, and exciting. A full eighteen-game schedule was the basis for matches and rematches. The newly established, successful Freshman team is an indication of the expanding interest and the exciting seasons we look forward to in girl's sports.

JUNIOR CLASS

It has been three years since we began walking through the halls of South High and we are just now beginning to realize what it's all about. Together we are striving to make our class closer and more enthusiastic. Our experiences have been many. As Freshman we were novices, but as we grew older, we matured in our thinking and activities. Our treasury, too, has grown! Junior year was great, working toward a prom we all cherished. We shared many memories from these three years and anticipate more to come. Senior year is bound to be — "The Best!"

STEERING COMMITTEE FIRST ROW: M. Conserva, D. Doody, K. DeShaw, J. DeColibus (treasurer), K. Soma (secretary), B. Fiore, (vice-president), L. Shaw (president). SECOND ROW: E. Robinson; J. Butler, L. Wilks, P. Savas, L. Berger, C. Tackacs, E. Goldman, J. Sales, J. Nadeau, H. Tomlinson, K. Noonan, M. Neri.

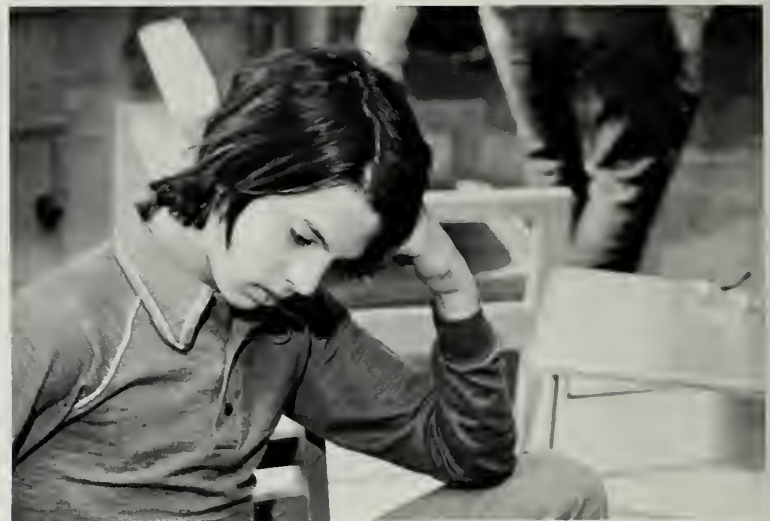

SOPHOMORES

The Sophomore Class got off to a swift start this school year with a very successful candy sale and dance. We not only augmented our treasury, but enjoyed ourselves as well! Even though we have two remaining years, we felt it most important that we establish a firm monetary base. Our administrator, Mr. Waugh, advisor, Ms. Lamperti, and all of the ebullient members of our class contributed greatly to the success of our activities.

One activity of which we are very proud is the Christmas party which we sponsored for the South Middlesex Association for Retarded Citizens. The Party was a first for South High and proved to be a very rewarding experience.

Our goal is to have total class participation in all our endeavors which is almost guaranteed by the abundance of class spirit.

FRESHMAN CLASS

Early in the year elections took place, and the four class officers were elected: Rob Venne, President, Marianne Souhlaris, Vice-president; Jane Foley, Secretary; and Nancy Shwert, Treasurer. Our class advisor, Mr. Hannon, and our class administrator, Miss Diggs, urged us into early activity. During the months of November and December we conducted a very successful magazine-selling drive — climaxed by a pie-in-the-face exhibition! We are planning many more activities for the future, including dances, raffles, car washes, and trips. With the spirit we have already generated, we know we are going to be one of South's successful classes.

A year ago, as Juniors, we chose the following quote as the theme for our Junior Prom:

I want to laugh
while the laughing is easy
I want to cry
if it makes it worthwhile
We may never pass this way again . . .

In retrospect, we know how appropriate these words really are. For indeed, we will never pass this way again. If after four years, there is one idea we want to share with you above all others, it is this: There will be many laughs; there will be many tears. Share and cherish them, for after they are gone they become but precious memories.

IT WAS REAL!

The Class of 1976

Congratulations to the Class of 1976

We know the sigh of relief that comes at the end of your final exam. Long years of study behind you, and a big wide world ahead.

But even at that it isn't the final test — or the end of your learning. The biggest tests still face you in the choice and fulfillment of your life's work. Many plan for college, some must reckon with the armed forces. Others will seek positions in industry, trade, business. We, at Dennison, congratulate you on your past accomplishments; if your future plans call for steady employment or summer work, we'll be glad to discuss your problems with you.

Our Employment Department will welcome the chance to outline opportunities existing in our offices, factory, and warehouse.

An ending, yes . . .

But for those of us who are graduating,

It will also be a new beginning.

We'll never forget our years at FSHS;

They have served us well.

But now

On to new ventures,

New challenges,

New horizons.

Wish Us Luck!
